# Be Silent or Be Killed

**Based on the true story of Roger Hunt as told in his book  
*Be Silent or Be Killed* by Roger Hunt and Kenny Kemp**

40 hours under siege in a Mumbai hotel room. The situation is desperate: trapped and isolated, your next decision could be your last. What would you do? This new piece from Right Lines Productions is 60 minutes of intense, claustrophobic theatre at its best, recreating the fear and horror of being caught up in a deadly terrorist attack. *Suitable for 14+.*
